

# TIME TO SHINE

21ST JANUARY 2022

"Learning is a lifelong process and can not be caged in the four walls of the classroom".

*To acknowledge and showcase love for our country, MAPS Foundational Wing organised 'Time to Shine' Presentation on 21st January'22 for Pre School children. Student spoke few lines on historical monument of India virtually. The young vibrant tiny toddlers came with wonderful ideas using voice modulation and beautiful costumes. Parents also played a pivot role in preparing their kids along with the props. The presentations were interactive and knowledgeable, boosting the confidence of the presenters.*
