

Tour to Jim Corbett and Nainital

MAPS organized a five day tour to Jim Corbett and Nainital, the most visited Hill Station in India during the summer break. The trip commenced on 4 June 2018. The students reached Jim Corbett the next day where they stayed at Mannu Maharani Resort, Jim Corbett. Students enjoyed the day by playing outdoor games like cricket, football etc. followed by a visit to Corbett Museum and Garjiya Devi Temple, a place which has a spiritual aura around it. Early morning the next day, students were taken to a Safari of Corbett National Park, a hub of excitement and thrill. The students got an opportunity to behold the sight of many resident birds and animals in their natural habitat. After returning back to the resort, students were taken for a nature walk near a water stream. They had a fun-filled day which ended with an endless dancing on DJ at night. Next morning was a short journey to Nainital. After the lunch, the students explored The Mall Road and the famous Tibetan Market by the side of the lake. They thoroughly enjoyed their day and finally travelled back to Delhi, returning to the school and family with wonderful memories and a rejuvenated spirit.
