

# SAFETY SMART

28.07.20

"Seek Safety, Aim Safety, Follow Safety, Ensure Safety, Teach Safety, Yield Safety ".Considering the importance of safety in our life, a presentation titled "Safety Smart" was organised for Pre School students in order to create awareness among the students regarding traffic rules /signs. Students spoke about the road signs /safety rules. By participating in this competition, students understood that by following the traffic rules /signs, we can minimize the number of accidents and save many human lives. Overall, it was a good effort to sensitize the coming generation on such an important topic.
