

TREASURE HUNT RACE PRE SCHOOL

Children always love to explore something new. And while doing this they learn something that is actually required to be done in such a way which should be interesting too. To check what and how much they have grasped, Pre-Schoolers enjoyed a race named 'Treasure Hunt' on 1.8.2018 (Wednesday). The tiny tots had to find out the right match for the given letter as fast as they could. It was a fun-filled way of recapitulation of letters done previously.
