

PRESENTATION WEEK

TREASURE YOURSELF

“It is important to know yourself before you know the world”.

A confident mind leads one to great success even when the tides are against them. A presentation week - 'Treasure yourself' was organized for Preschool classes from 7th to 9th May 2019. The event proved that the Preschool kids can very well introduce themselves to the world.

The exposure of this kind boosted the confidence and helped them to be more social. It also helped to enhance the oratory skills. The students spoke about their family, hobbies and school. This activity also helped them to remove stage fear.
