

Day 6 Activity - THRIVE PECULARITY

(Table Manners)

Date:- 11.05.2017

A video on 'Table Manners' was shown to the students of class 2 to create awareness amongst them about the basic table manners. Various tips were given to them to promote table manners from the young age. Thereafter, the students were guided to make a flow chart on 'Table Manners'. The enthusiastic students participated in the activity very actively and thereby, learnt its various essential steps.

This activity will enable the students to inculcate good habits, which would come handy to them in their future life and polish their personality.
