

Talent Show

“Every child is gifted. They just unwrap their packages at different times.”

To provide this chance to our children of Class 1 so that they explore their innate abilities and discover themselves, a Talent Hunt Competition was organized on 21st April, 2018 in the school auditorium. Each student was given the opportunity to showcase their talent ranging from dance, singing, best out of waste, poem recitation, and clay modelling to public speaking based on the theme – **EARTH DAY!!**

Our children set the stage on fire with their sparkling performances that nurtured their artistic aptitudes and aesthetic sense towards Mother Earth. This event helped them overcome their stage fear and build their confidence. They also understood the importance of keeping our planet clean and green. Therefore, it is rightly said, **“Your talent is God’s gift to you. What you do with it, is your gift back to God.”**
