

“The earth does not belong to us ,we belong to earth”

Dated:- 22.04.16

The Activity of “Plant a sapling” was taken up in nursery wing of M.A.P.S to celebrate ‘Earth Day’. All the students carried a sapling and planted it in the garden with the help of teacher and the gardener. Kids did the hand printing activity in their sketch books .The activity helped the students in learning the importance of planting the trees & making their surroundings clean and green.
