1st Athletic Meet 2018-19

Sports teaches you character, it teaches you to play by the rules, it teaches you to know what it feels like to win and lose - it teaches you about life. – Billie Jean King

Dear Parent,

Most of us start playing a sport as a means of fun and recreation. But somewhere along the way, in the midst of all the fun, we realize that sports can often be a metaphor for achieving success in life because of the lessons it teaches us about life. Sports teaches us about being part of a team and the importance of working together to accomplish a common goal. To enhance true sportsman spirit in each individual MAPS is organizing 'Athletic Meet' for the students. To exhibit the same 'TRIG A TROUPE RACE' has been organized for Pre-Primary and Montessori- II kids.
