

MAHARAJA AGARSAIN PUBLIC SCHOOL
a Cambridge International School

A computer is a great invention of the modern technology which has made our lives very easy and simple.

***Think of a word and your fingers will get it typed!!
Once you train your brain consciously, with practice,
typing comes naturally!***

Train your Brain Competition

is organized for Montessori-1 students

on 13.02.2024 (Tuesday)

The students will type A-Z and 1 -20 using Enter Key & Backspace key.

Judgement will be done on the basis of :-

- 1. Efficient use of keyboard skills as Instructed***
- 2. Accuracy of Alphabet and number typing.***
- 3. Speed of Typing.***
- 4. Correct spacing between the letters and numbers.***
