

CLASS-2

DAY-6 ACTIVITY

24.08.2018

TURN AROUND THE NUMBERS

NUMBERS ARE THE HIGHEST DEGREE OF KNOWLEDGE

The students of class -2 participated with great zeal and enthusiasm and showcased their mathematical spirit and talent through an activity named “Turn Around The Numbers”. The students were given 3 digits along with some 3-digit numbers and were guided to find and colour the numbers formed by given digits .The activity was aimed at achieving concept clarity using their logical, critical and creative thinking skills. It was a great success as there was 100% participation and the kids were able to apply their knowledge and skills efficiently. They had a lot of fun along with learning experience.
