**Tell me and I'll forget**

**Show me and I remember**

**Involve me and I learn & never forget**

**A visit to Traffic Training Park gave the little ones an experience of all those topics/concepts that we wanted to make them understand related to transport and traffic rules. Pre-School & Pre-Primary students visited the place and were thrilled with this outing. So many facts about traffic signals, directions and road signs etc. were shared with the students. They approached a new way of learning which was not only enjoyable but also worth visiting.**
