*“Let today be the start of something new.”-*  
*Session 2022-23*

Our young buds made beautiful memories by clicking pictures to remember their first day of school. They participated in the class activities with enthusiasm. Students of Classes I and II made tulip flowers and fishes with origami sheets and expressed their feelings about the first day in school. Mont I and II students tapped their feets on rhymes and songs. They were filled with extreme joy on receiving a balloon as a token of love.
