

'ANIMIX RACE'

PRE PRIMARY

28.01.2020

Physical activities are vital for a child's development and lays the foundation for a healthy and active life. MAPS offers a wide choice of play based, physically active learning experiences that links to child's interests, abilities and prior knowledge.

An 'Animix Race' was organised for Pre Primers to recapitulate the concept of animals. This race also helped to improve the concentration and thinking skills of the students.
