**“DON'T MAKE TREES RARE, KEEP THEM WITH CARE”**

**The students of class Pre Primary – B presented a thought provoking assembly on the topic ‘Save Trees’ on 3rd September 2019. They presented a small skit displaying how trees play big role in our lives. It was a very good learning experience and the class presenting the assembly was loudly applauded for its efforts. The audience too was very receptive and actively enjoyed the assembly. The assembly ended with an effective and heart touching dance performance on ‘Don’t Cut Trees’.**
