**Class-1 and 2**

**11. 10.2022**

Shimmering lights and bright colours using string lights and torans, candles, oil lamps, crafts and rangoli marks the approaching Diwali. Hanging a garland or wreath or toran at the door is considered as an auspicious sign to welcome goddess Lakshmi. A Bandhanwaar making competition was conducted for classes 1 and 2. Students made eco-friendly bandanwaars with flowers, mango leaves, clothes, paper, cardboard, ribbons, jute etc.
