Date:- 11.12.2017

THEME: BE READY FOR EMERGENCY

“Emergency preparedness is a team sport”

From the minor ailment to the more serious injury a first aid kit can help reduce the risk of infection or the severity of the injury. First aid kits should include items like how to treat certain conditions and also explain what each item in the first aid kit treats and how it is used to treat that ailment.

Keeping in mind the importance of First Aid Kit the students of class 2 did the activity on Day 6 'BE READY FOR EMERGENCY'

The class was divided in 5 groups and each group prepared a First Aid Kit. Every child was directed to bring one item for the kit. Items like Dettol, cotton, band-aid , thermometer, scissors , sanitizer, crocin tablets , antiseptic cream , bandage etc were kept in a shoe box to make it First Aid Kit. After preparing it the students gave the presentation on the use of the kit.

The students were very excited and they really learnt to prepare themselves for any emergency in the class.
