24.12.2019

Christmas is the festival which inspires the spirit of sharing and caring. Soaking in the spirit of Christmas tiny tots of MAPS celebrated the festival with great fervor. The significance of the festival was explained to the students through a special assembly and audio visual presentation. The students also sang melodious carols and tapped their feet very gracefully. The whole Nursery wing and auditorium were beautifully decorated marking the celebrations. Several activities such as making face mask of Santa and Christmas bells were conducted for the students. Later class party and cake cutting ceremony culminated the day. The boundless joy of celebrating the festival was amply visible on the faces of the children.
