MAPS/CIR/2021/01

**We all love nature and there's a lot to know about the environment. The greatest threat to our planet is the belief that someone else will save it but each and every one of us can make changes in the way we live our lives and become part of solution.**

**In order to spread awareness to save the environment MAPS is organizing a presentation week for Pre Primary students to come forward and showcase their speaking skills on the topic**

## **'ACTION FOR NATURE'**

**On  
22.04.21**

### **Points to keep in mind:-**

- Child should speak at least 8 to 10 lines about how to protect NATURE in English with introduction.
- The video should not be more than 90 secs and Whatsapp the same to the class teacher maximum by 11 am on 22.04.21 i.e. Thursday.
- Child can dress up accordingly & may use related props for the presentation.
- It is mandatory for the students to participate as grades will be given for the same.

**Regards  
Class Teacher**
