

DAY – 6 ACTIVITY

CLASS - 1

LOGO MAKING (12.04.17)

“.....One of the greatest roles of education is to awaken and develop the power of creativity.”

As the students of class 1 were newly introduced to the six houses, namely – **Liberty**, **Fraternity**, **Prosperity**, **Purity**, **Austerity** and **Equality**; a LOGO MAKING activity was conducted for them. Where the children enjoyed making badges for their respective house colours and also learnt the house names. This delightful activity helped the students to retain their house information well.
