

## ASSEMBLY REPORT CLASS- 2E TO CARE FOR SENIOR CITIZENS

Caring for our senior is perhaps the greatest responsibility we have. Those who walked before us have given so much and made possible the life we all enjoy. -John Hoeven

Class 2-E conducted their assembly on 10th October 2018 on the topic – Care For Senior Citizens. The assembly highlighted the importance of old people in our society. World Senior Citizens Day is celebrated on August 21, around the world every year. The presentations began with the news headlines followed by thought for the day, motivational quotes, speech, points on how we can take care of our senior citizens and a dance performance.

The class teacher gave the meaningful message on the theme which enlighten the students. Every student enjoyed the presentations and learnt the value of their grandparents in their life and promised that they will always take care of them. All the presentations were well supported by adequate props and banners.
