

## **DAY-6 ACTIVITY**

**CLASS-1**

**29.01.20**

# **CONSTANT CONFUSION**

**Blindfold is not a barrier- It is a gateway to a different set of senses  
Team building games, exercises and activities help kids to boost their  
motivation and improve their communication skills.**

**In day 6 activity “constant confusion” students played blindfold  
game. In which they tried to use best vocabulary to reach a desired  
outcome. Students brainstormed together about what words can be  
used in order to successfully guide someone who is confused and is  
blindfolded.**

**Children participated enthusiastically and enjoyed the activity. It  
helped them to develop their verbal communication skills precisely  
the art of giving clear instructions.**
