

**Day-6 activity Class-2**  
**SHAPES (TANGRAMS)**  
**Date:-16.08.2019**

**“Creativity is intelligence having fun.”**

Creativity is the act of turning new and imaginative ideas into reality. In order to fill the hearts and minds of the children with creativity, SHAPES (Tangrams) was celebrated in class 2. A group of four students was formed and each group was given eight triangular cut outs. They were asked to make different figures using those triangles. They made beautiful figures like kite, duck etc.

All the students participated in the activity with great zeal and enthusiasm. The activity was a great learning experience for everyone. All the students were appreciated for their commendable efforts. In whole, the activity catered to the aesthetic and moral domains of the learners.
