

Duck Race

Physical activities are vital for a child's development and lays the foundation for a healthy and active life. At MAPS we always aim to provide wide choice of play based, physically active learning experiences that link to children's interests, abilities, identity and prior knowledge. Duck Race was organised for Montessori 1 kids on 28.9.18 where little ones enacted the duck movement. It was an enjoyable and fun filled way to promote gross motor skills, coordination, endurance, balance and strength.

The winners of the Race are as follows

STUDENT'S NAME	CLASS	POSITION
DARSH RAHEJA	MONTESSORI - 1	I
NAVYA GUJRAL	MONTESSORI - 1	II
SARTHAK	MONTESSORI - 1	III
