

## HOUSE ACTIVITY – PRIMARY (26.09.2017)

Exposure for a young age to the realities of the world is a big thing. Stage exposure enhances the confidence in children by providing them a platform to express in front of others.

Students of class 3 had an inter house competition wherein they performed different mythological characters using digitalization and humorous elements.

**Positions were as follows:**

**I Position: Equality House**

**II Position: Austerity House**

**III Position: Liberty & Purity House.**

Students of class 4 made a flip book and created their own app. Students participated enthusiastically.
