

Foodie Fix Competition

18.12.2019

A healthy outside starts from the inside. The students of Preschool classes had a platter to display their culinary skills in Foodie fix competition. Students participated well with full enthusiasm and in great number. They presented nutritious yet delectable delicacies. Food items displayed were a visual treat and were presented in an artistic and aesthetic style. Dishes were judged on the basis of their nutritional value, presentation, neatness and ingredients used. Judges were overawed by the efforts of the participants.
