

THE RISE OF AGARSAINIANS

The 39th Foundation Day was celebrated by the exuberant Agarsainians on the charming morning of 9th April 2016. For the MAPS family it is a day to pay tribute to our guiding spirit(Maharaja Agarsain ji) and to reflect upon our achievements and performance, so as to embark zealously on higher future goals.

The whole MAPS family including the honourable members of the management, our Principal ma'am, teachers and our ardent Agarsainians came together to

celebrate this prestigious day . The Agarsainians started the day by decorating their class bulletin boards followed by intently participating in numerous activities aimed at cherishing a sense of belongingness. The enthusiasm and passion of the students was visible in their performances. The highlight of the day was an astounding musical on the life of our inspiration, Maharaja Agarsain Ji.
