

PARTY WITH GRANDPAL'S (30.7.2016)

It has been Agarsainians constant endeavor to shine where God has placed them. In order to evoke the spirit of rendering respect to our elders and to bring younger generation closer to them class 3 organized Grand pal's day in school on 30.7.16 as part of International School Award activity. The theme for ISA project for class 3 for the year 2016-17 was "RESPECT YOUR ELDERS". Different countries were selected and allotted to the student groups.

Various activities were designed across all subjects that were converted into a special presentation for grandparents on the day.

The programme was started with OM CHANTING where grandparents participated enthusiastically. In English they wrote a grandpal's story and jingles were sung based on these stories. The melodious jingles enchanted the audience. In EVS Delicacies of the allotted countries were made with the help of grandparents and these dishes were presented on grandpal's day. In Math students designed an itinerary for an imaginary trip to the allotted country and a skit based on his trip was shown. The dance at the end by the students on the traditional song 'DADI AMMA DADI AMMS MAAN JAO' made everyone's eye tearful. The culmination was done by the performances of the grandparents. They showered their blessing in the form of bhajans and their life experiences.

The event was held with great gust and the efforts of the participants were appreciated by all. To sum up we can say that the creative potential of the younger generation coupled with zeal, enthusiasm, energy and versatility can work wonders for the old people.
