

Day-6 Activity Class-1

Topic- Good Touch and Bad Touch

“Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.”

-Leo F. Buscaglia

It becomes difficult for the young children to understand the difference between right and wrong. To prevent more damage and spread awareness, a video was shown on ‘Good Touch and Bad Touch’ to the students on 06.05.2019 and the following points were discussed with them -

- ✓ Take ownership of your body.
- ✓ Use appropriate language.
- ✓ Keep the conversation light and easy.
- ✓ Empower yourself to say NO.
- ✓ Don't force affection.

Sensitizing the students about “good and bad touch” will help them become emotionally strong and handle the odd situations in a way that does not impact their growth and personality.
