

I KNOW MY SENSES RACE

PRE SCHOOL-26.04.2019

Races, whether relay or individual are great for helping children grow not just physically but also help build child's self-esteem, confidence and social skills. In recognition of the importance of sports in a child's life, MAPS nursery wing conducted 'I know my senses race' for Preschoolers where they had to recall and collect flash cards of only sense organs. It was exhilarating to see the little ones participating so actively.
