

## INTER HOUSE COMPETITION- PRIMARY (09/09/2016)

On the beautiful morning of 9th September 2016, houses activities were conducted by the students of class 3 , 4 and 5.

**CLASS 3** - Interpretation of collected data in the class room.

**CLASS 4** - The students had an inter house competition. It was AD-MATHS-SHOW. 4-5 students from each house prepared and presented an ' Ad ' of various products covering different mathematical topics like discount , pie-chart ,shapes and so. It helped the students to learn about different mathematical topics with the help of the advertisements.

**CLASS 5** - Interpretation of Bar-Graph.

The activities helped the students to display their talent through various modes.

The Results of the Competition are as follows:

**First-Purity House**

**Second-Fraternity House**

**Third- Equality House**
