Montessori-2

Rhymes enjoy an undisputed importance in the life of a kindergartener. It is a well-known fact that when a child sees something, it is embedded in his/her mind for a longer time. The topic for rhyme competition was My family. This was displayed beautifully by the students of class Montessori 2, when they participated in Jingle Mingle Rhyme Competition. They enthralled their teachers and friends with their articulation and memory skills while reciting rhymes. It was an excellent opportunity for them to gain confidence, enhance speaking skills and express their feelings through facial expression and gestures.

Everyone was amazed and spellbound after seeing their pleasing performances. The judges of this event appreciated and applauded the performance of the children. Two judges were invited from Preschool and Pre Primary to witness the competition. They appreciated and applauded the performance of the participants and the children enjoyed the competition.

The first position was secured by Hardik Sharma followed by Vedanshi Gupta and Misthi Goyal securing the second and third position respectively.
