

'LEKH SULEKH' COMPETITION

PRE PRIMARY

DATE:-13.09.2019

"Our handwriting style depicts our personality traits". To celebrate Hindi Diwas MAPS, Nursery wing organized 'Lekh Sulekh' Competition on 13.09.19 to inculcate the habit of good handwriting among students. All students of Pre Primary participated in the competition. The main idea behind this competition was to encourage them to write legibly and neatly. The best students were selected on the basis of writing style, legibility and neatness. Such competitions turn out to be very meaningful as the students will not improve their writing but also learn about the beauty of the national language - HINDI.
