

LIBERTY HOUSE ASSEMBLY- PRIMARY (27.08.2018)

"Knowledge is power and enthusiasm pulls the switch"

The primary wing of MAPS observed the assembly of Liberty house based on the theme 'Zeal without knowledge is fire without light'.

The assembly emphasized the importance of knowledge with passion and enthusiasm. Education is not just about going to school and getting a degree. It is about widening your knowledge and absorbing the truth about life. The message was loud and clear through the Doraemon act, which said it all.

A performance was also shown by the kids on different renowned personalities in their respective fields, which said that whatever is your dream or passion follow it completely with the requisite knowledge it requires. Then, the students of class II represented themselves as different professionals emphasizing the fact that

"You can choose any profession if you have knowledge and zeal. In this case, success is yours".
