MAPS/NURS/2017/05

Exploring concepts with shapes and blocks are just one way children learn geometry early in their education, and build shape skills. It also helps to enhance Problem Solving, Fine motor and Cognitive Skills.

To support the above statement,

Math-e-Art Competition

is organised for
PRE PRIMARY CLASSES

On
23.08.17 i.e. Wednesday

Important points to noted:

- The child has to make any figure / scene using different shapes.
- The child has to bring the material like cutout of shapes (any form).
- Time duration of the competition will be of 1 hour.
- Judgement will be done on the basis of creativity, presentation, colour combination, number of shapes used.

Regards
Class Teacher
