

## MATHS WEEK – PRIMARY (01.05.2017-08.05.2017)

“LEARNING IS MORE EFFECTIVE WHEN IT IS AN ACTIVE PROCESS RATHER THAN A PASSIVE PROCESS.”

MAPS allows kids to build, imagine, experience, investigate, explore, create, observe, predict and use the senses. With this aim , Maths Week was conducted from 1st May to 8th May and students participated in it wholeheartedly. Through constructed exploration, we foster the development of imagination and creativity.

The theme of class 3 was “Shape-o –Holic”. Students understood various properties of shapes. They made collage using different shapes and showed their creativity. The only way to do mathematics is to do mathematics.

The theme of class 4 was Target Board. The objective of this activity was to promote calculation skill in young minds to explore maths in daily life.

The theme of class 5 was “People behind numbers”. Students discussed contribution of mathematician and their achievements, which has made maths so interesting. Then, role play was also conducted on the same. Role play is a valuable resource when it comes to mathematical education.

Various competition were conducted in all the classes. The result is as follows:

<b>CLASS- ACTIVITY</b>	<b>I POSITION</b>	<b>II POSITION</b>	<b>III POSITION</b>
1- Number-o-mania	100 % Participation		
2- Coinage	100 % Participation		
3 – Shape–O-Holic	3D	3B, 3F	3A, 3C, 3E
4 – Target Board	4C	4D	4A, 4F
5 – People Behind Numbers	5A	5F	5D
