

Mother's Day Celebration 11.05.2020

'Life doesn't come with a manual, it comes with a mother'

Mother is the most precious gift to us from the almighty. She is our first teacher, first guide and first friend. Students of Nursery Wing felicitated all mothers on this special occasion. Tiny Tots of Pre School classes recited various rhymes to convey gratitude to their moms for their

Unconditional love. Students of Pre Primary classes also expressed their emotions about their mothers. The purpose of the whole celebration was to promote bonding among the mothers and children.
