

MOVIE TIME

Spending time with friends is always a great bonding experience. The academic session 2017-18 drew to an end, so MAPS planned a movie show for Nursery wing students at Movie time, Pitampura.

Students watched the **Oscar awarded movie "MOANA"**. The movie was all about the power of family and friendship, as well as teamwork and communication. In addition to the movie, Kids also relished Popcorn and Pepsi. It was a small fun filled picnic accompanied with teachers where everybody got the time to bond with each other.
