

# GRANDPARENTS DAY

VISIT TO SENIOR CITIZEN HOME (29.09.2016)

As a part of the SEWA an initiative to sensitize the young towards the aged and the needy, the students of Montessori visited an old age home in Rohini as a part of the Community Service and Interaction programme on the occasion of grandparents' day. Every year such visits are organised for different classes to sensitise students towards the needs of less privileged and who are leading very painful & tough lives. Students were encouraged to put in their sincere efforts to pacify their sufferings in whatever way they can. Kids prepared handmade cards for them not only this they made the moment special by cake cutting and played traditional games with them. And finally gave a dance performance on the song "dadi amma man jao." Children also presented a beautiful cultural programme which was appreciated by all. Students also presented flowers as token of love and respect to the elderly and spent worthwhile time in their shelter.
