Parent Orientation Program

DATE-26.3.22

"Knowledge becomes power only when we put it into use."

An orientation program was organized to welcome the parents and little champs which gave an insight about the curriculum of the school. The program commenced with the school report given by the students which included school activities, infrastructure, students' and teachers' achievements. A dance performance followed by a skit by little Agrasainians was appreciated by all.

Principal ma'am Ms Alka Sahani highlighted the role of the parents in helping their children to become more independent. She also shared some tips about good parenting and emphasized on having trust on the school regarding their child's holistic development. Our foundational coordinator Ms Pooja Gaur ma'am briefed everyone about the rules and regulations of the school and also shared the information regarding scholastic and co-scholastic activities that promotes the holistic development of the children. A formal introduction of all the teachers of foundational wing was also given.

All the parents met their class teachers personally at the end. Overall, it was a great start for a new academic session.
