

VISIT TO ORPHANAGE (3.2.2020)

MONTESSORI 1&2

Visit to an Orphanage is a life-changing experience as it is filled with emotions and sentiments. Montessorians got the opportunity to visit an Orphanage named Bal Sahyog (shelter home for boys) on 3 February, 2020. There were around 125 children from the age group 6-18 years. To imbibe social values like sharing, caring, love and respect, students carried some goodies like stationary material, eatables and clothes. Students distributed chocolates among the children which brought smile on their faces.

Caretaker of the institution took the students for a round where the students could see how the children of the orphanage fulfilled their day to day needs.

The Visit was the mixture of good feelings and sad emotions. It encouraged our students to appreciate what they have and to learn to share and care for children.

The experience was very heart touching.
