

CLASS ASSEMBLY – PRE PRIMARY B

TOPIC – EARTHQUAKE

DATE: 18.07.17

Earthquakes are one of the most common, unpredictable natural calamity on earth. To make the children aware about the steps to be taken during earthquake, a class assembly was presented by the students of Pre Primary – B.

The topic was introduced with a skit which emphasized on safety measures. In continuation, a dance performance was given by the tiny tots. Finally, a recap was done by showing a video on safety tips during an earthquake.

It was an informative and interesting assembly.
