AIMS & OBJECTIVES

- To learn and recognize different neighbourhood places & name different rooms of school.
- To recognize the things we use to protect ourselves from rain like raincoat, gumboots, and umbrella.
- To make them aware about the importance of hygiene during rainy season and make them learn healthy habits.

SKILLS

- Self Awareness: Child will become aware about various rooms in the school and differentiate neighbourhood places.
- Problem Solving: Child will be able to differentiate among various rooms of the school.
