

Rakshabandhan Celebration

Nursery wing

Festivals are a great way to celebrate glorious heritage, culture and traditions. Raksha Bandhan is one of the most endearing ways to celebrate the bond between brothers and sisters. To strengthen this bond, nursery wing of MAPS conducted various activities like Rakhi making using shapes. Students made colourful rakhis using decorative threads, stars, mirrors, pearls and flowers. Also they were shown a video related to the same and a checklist was attempted by the students.

The event was celebrated with full enthusiasm and zeal. MAPS believes that such celebrations of festivals with true spirit teach students about our Indian traditions.
