

RAKHI CELEBRATION

31.07.2020

The love between a brother and a sister is the most pious relation in the world .To strengthen this relationship, Raksha Bandhan is celebrated in India in shrawan Month .To mark the occasion ,different activities related to Raksha bandhan ,were organized for Pre School and Pre Primary classes in MAPS. In view of present crisis, these were done digitally. In Pre School, a worksheet containing a picture of tying of Rakhi by a sister on the wrist of her brother, was given to the kids for colouring. The children coloured the same excitedly in a joyous mood. In the Pre Primary classes, a story of love and affection between a brother and a sister was shown to the students through a video.

They were asked to answer different questions related to the story on a worksheet. In this way, Raksha Bandhan was celebrated in MAPS with great emotional excitement and in a colourful manner.
