

RAMAYAN PRASTUTIKARAN

NURSERY WING- 04.10.2019

MAPS always sets a platform for students to grow and showcase their talents. In order to accomplish the traits essential for holistic development, Ramayana presentation gave a great opportunity to the students. They performed brilliantly depicting the values of service towards one's Guru and parents. The students showed that no matter how educated Ravana was, still his evil mind and thoughts forced him to do a wrong deed. The presentation ended with Lord Rama's victory over Ravana. Thus, leaving the message of "Victory of Good over evil".
