दिनांक:-7.10.16

Students of M.A.P.S presented a colourful performance on the epic RAMAYANA on the occasion of DUSSEHRA. The audience was mesmerized with the performance of the little ones as all the performers appeared with bright attires and geared to set the stage on fire. The performance provided an excellent opportunity to connect these young ones to their cultural roots and also provided an outlet to express their talents through drama and song.
