

RELAY RACE

PRE PRIMARY
31.07.2019

Teamwork and gross motor skill development can be well defined by a relay race. Relay race is often one of the most exciting race, so it was organized for the students of Pre Primary on 31.07.19. The basic aim of this race was to promote teamwork which will enhance problem solving skill to get a common goal and also to develop another positive aspect of social skill.
