Date: -23-12-2017

“A free bird leaps on the back of the wind and floats downstream till the current ends and dips his wing in the orange sun’s rays and dares to claim the sky”. To makes kids understand the importance of freedom, “Release the Bird” Race was organised for Pre-Primary kids. The kids were supposed to run and release a paper bird from the artificial cages hanging between the track. The aim of this race was to make children aware of their duties towards environment and develop their physical and mental ability.
