

MAPS – SIKKIM Collaboration

“It is the long history of humankind that those who learned to collaborate and improvise most effectively have prevailed.”

The Foundational Wing of Maharaja Agarsain Public School took the initiative of collaborating virtually with Namchebong Sr. Sec. School of Sikkim. On 21st December 2021, under the CBSE initiative **Ek Bharat Shreshth Bharat** project. The session aimed at creating knowledge and awareness about the different cultures of the states of Sikkim and Delhi.

The session started by introduction of the esteem guests from Sikkim. Then the students from both the schools participated by sharing their knowledge of the rich culture and heritage of the two states through dance and video presentations. An interactive session took place where the tiny tots met their new friends and discussed about the museums, monasteries and famous foods of Delhi and Sikkim. At last, the honourable Principals of both the institution expressed their gratitude and made a promise to take forth this new friendship in various and exciting ways. Through this collaboration students developed sensitivity towards the presence of various cultures in India and learnt to respect the differences in region, religion, culture and diversity in the country.
